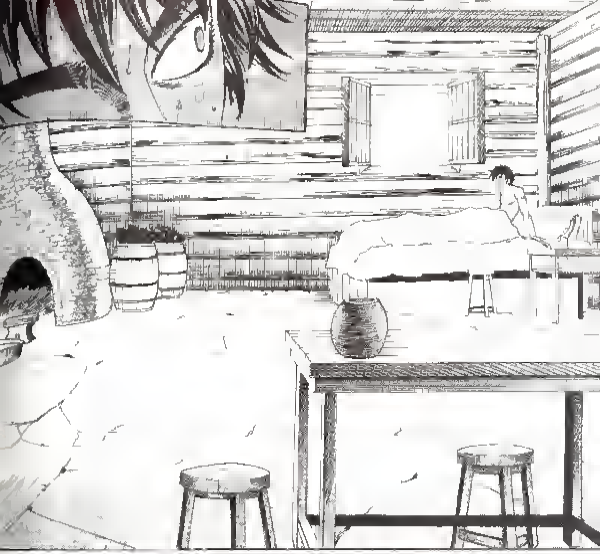
argh
Headache
I feel like my head is going to explode
벌컥



What the. What kind of people would use such a sheet for bed?

Oh, you've regained consciousness !

C, cute
How are you feeling ?
I am I feel fine
Anyway where am I ?
Oh, you speak our language
Haha, of course, I speak ...

What s going on ?
Wait!
What I just spoke wasn't Korean?
And I couldn't recognize the language she just spoke
How can I speak a language that I don't even know ?
Aegh - !
Take it easy.
!
That smell ...
My favorite fruit, Banana ?
Is she using some kind of perfume ?
I thought she was some kind of naturalist.
This is confusing.

Your condit on s not good enough
Eh

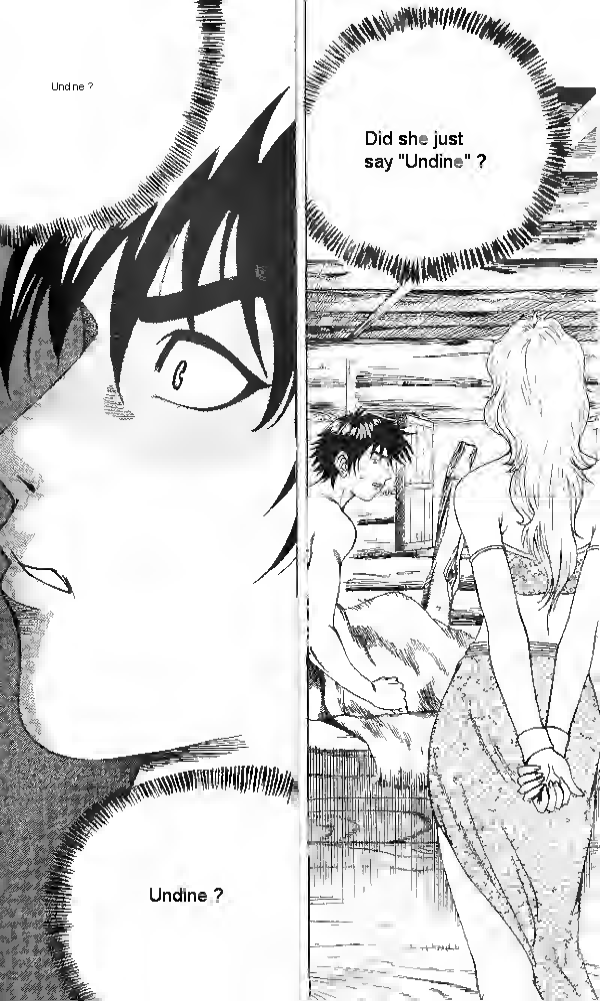
Cure was cast on you But you still need to rest Stay in bed

I guess I should . .
But, wait – Cure as in healing spell, cure ? Is she joking ?

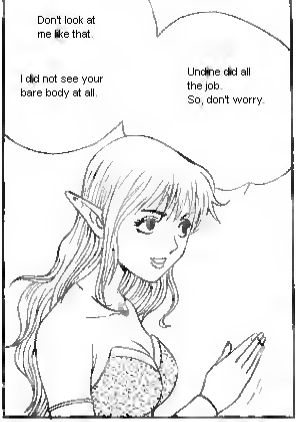
By the way, where are my clothes?
Ah, your clothes? It was dirty from soils and sweats I've laundered and they are being dried right now.

Who took off my clothes and washed me ?
Don't tell me that
I did
Did I wash you well ?
Kek !

W, w, what ?!
You mean you ...
Your body was covered with sweats and so I s
So I used Undine to clean you

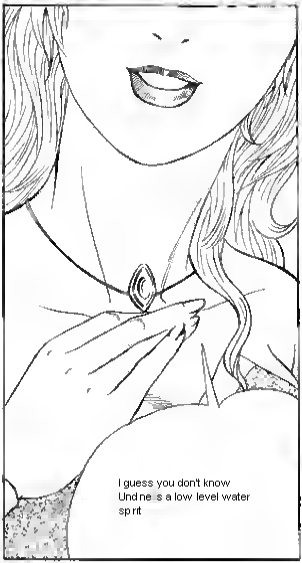


Undine ?
Undine ?
Did she just say "Undine" ?



Don't look at me like that.
I did not see your bare body at all.
Undine did all the job. So, don't worry.

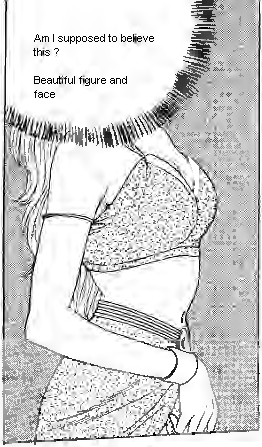
No, what I was shocked was that you said "Undine".
You did say ... Undine, right ?
yes



I guess you don't know Undine is a low level water spirit

Hahaha
All I can do right now s laugh

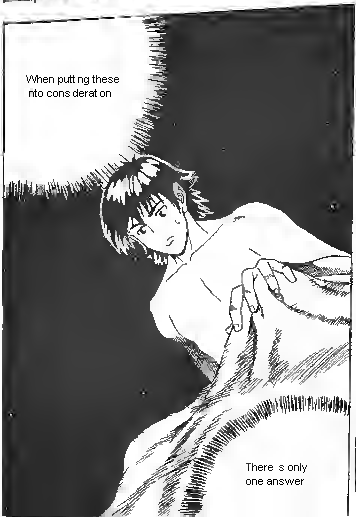
Undine the water sprit ?
I thought it was only possible in a fantasy world ?
Is she a fantasy man a ?
Long ears and strange clothings
No way ?



Am I supposed to believe this ?
Beautiful figure and face

And ears that seems to be at least 20cm (8 inches)

And one that lives in a forest...



When putt ng these nto cons derat on
There s only one answer

Um ... are you an elf by any chance ?

Yes, though to be precise, I am a high elf. My name is Acet Isoamil.
*Her name probably needs some corrects as I am bad at translating English names. Her name was written "아세트 이소아밀" If you have perfect / better translation, send it to klisis@yahoo.com

I can't ... can't ...
believe this ...
That woman is an elf
Not only that she is a high elf !
If elves exist s th s a fantasy world ?
Yes

Th s place is called Carbon compound
It s called Carbon generally
Carbon....
Carbon....?
Carbon as in the chemical element ?
Huh?
Ah! I brought food
두근두근
